THE NEW STANDARD

Dear *SCORE:*

I just purchased the April 2000 issue of *SCORE*, and it is sensational! All the blowjob photos and the fucking and sucking photos of Heather Michaels are the greatest.

Now, I presume some people are going to be a bit upset, but, they shouldn't be. A lot of magazines have broken their hardcore cherries, so it's only natural that *SCORE* keeps up with the Joneses. *SCORE* not only did that in April, but they also established themselves as the standard by which all others will be measured–that, after only one issue.

How good are the photos? The photos of Heather, Sofia Staks and Minka are now decorating my bedroom walls. Who says blowjob photos aren't pin-ups? Not me!

Well ladies and gentlemen, once again, well done. Keep those photos of *SCORE*-girls washing wienies cumming. And, please, more pictures of Sierra munching on the swinging sirloin. Any woman who proclaims she was "born to suck cock," needs to prove it!–L.M., San Jose, California

A TREASURE TROVE

Dear *SCORE:*

I just received my April 2000 *SCORE*, and I have to tell you how pleased I am with the new center section. I'm sure it might not appeal to every reader, but it definitely rang my bell. I opened the envelope that it came in and instantly felt that this issue was thicker than usual. I thought that maybe the paper was of a higher quality than previous issues. Little did I realize the quality that was waiting in the middle.

The pages fell open near the middle of the magazine, and I did a double-take as I saw what appeared to be a picture that can only be described as hardcore–Heather Michaels being penetrated. I quickly started to browse through this treasure trove of attractive and erotic images. The stills of Traci Topps and SaRenna Lee had me cumming in moments. The assorted blowjob shots were a real treat to behold, as here in the U.K. it is quite difficult to get your hands on any reliable hardcore. The teaser shot of Brittany Love has me holding my breath.

Anyway, I realize that the new section may be a little bit strong for some readers' tastes, but I hope that this letter and any others that are of a similarly pleased nature will persuade you to keep up the good work. Even the single shot of Dixie Cupps with her finger crooked into her tasty looking pussy was worth the price of the magazine.–J.C.W., Edinburgh, United Kingdom

SCORE XTRA AVAILABLE IN NORTH AMERICA ONLY

Dear *SCORE:*

Where is *SCORE Xtra?* I went to purchase my April 2000 *SCORE* expecting the hardcore version, and it was not included. I didn't think we would receive it in England because nobody has hardcore books, but I thought somehow that *SCORE* would get through. Is there any way I can receive it? Or, can I only receive it in America? Please let me know because I am dying to see this section.–R.J., London, England

Editor's Note: *Because of complicated censorship rules in many foreign countries,* SCORE Xtra *is available for newsstand and subscription sale in North America only. To clarify, the problem lies primarily with newsstands and retailers in countries like England, many of whom will not distribute pictures showing bum-holes, spread pussies and penises that are flying north of half-mast, much less actual insertion, which is prohibited by several countries. Hardcore magazines are available, in the UK for example, in licensed sex shops, but not on mainstream newsstands. Therefore, until the restrictions change,* SCORE *Xtra will be available in North America only, to both subscribers and newsstand purchasers.*

THE ONLY NAYSAYER

Dear *SCORE:*

All that buildup for the *SCORE Xtra* pullout section in the April 2000 issue, but all we get is a major letdown. There is no serious sex, only a few wimpy insertion shots, a few very tame BJ's and a seriously lame and boring lez feature. As much as I like Diane Poppos and Traci Topps, their spreads were a waste of paper–minuscule stills, reproduced from videos. So, where was all this "hard" stuff you guys told us about? Come on, either do it right, or don't bother, but don't waste our time with this type of crap. The only good thing about the

Random thoughts from a *SCORE* reader: "Something about Jeni's perky, rose-tipped breasts and her wonderful, flaming red muff keeps me going back to the Aug. '99 issue of *SCORE* for yet another look and, usually, another squirt."

pullout section was that it was removable for trashing.–D.S., San Diego, California

Editor's Note: *We found it ironic that, after reading all of the letters regarding the April 2000* SCORE, *roughly half of all letter-writers noted that we were going to offend some readers, but let them suffer. In fact, the previous letter, by D.S., was the only negative response we received about* SCORE Xtra, *and his complaint was, the insert wasn't hard enough. Folks,* SCORE Xtra *is here to stay, or at least as long as readers want it. Watch for more of the hard stuff in upcoming issues.*

RANDOM THOUGHTS

Dear *SCORE:*

Here are some random thoughts I wrote down regarding the last few issues of *SCORE:*

TO SHAVE..."Just when I think the shaved look has been overdone, along comes Eden (March 2000) with a cooze that just begs to be bare."

OR NOT TO SHAVE..."No razor should be allowed within a football field of Zoryna's (April 2000 *SCORE*) lovely, natural beaver."

SCORE debut and say, wistfully, "She never looked sexier?"

2) Just when I think the shaved pussy look has been overdone, along comes beautiful, slim-n-stacked Eden (March 2000) with a cooze that just begs to be bare.

3) And, the flip side of the same issue is best illustrated by Zoryna Dreams (April 2000). No razor should be allowed within a football field of her lovely, natural beaver.

4) I guess I can stop comparing pictorials of Busty Dusty, Lisa Chest and Casey James to determine who is the biggest of all-time. The bar has been raised to a new standard with the remarkable Chelsea Charms, for whom mere words are completely inadequate. Unbelievable. No, un-fucking-believable!

5) No matter how big a model may appear in the pages of *SCORE*, nothing quite compares with the stunning visual impact of seeing these women live on stage (or the Boob Cruise, but for that I must be dreaming!). Having seen the likes of Crystal Storm, Pandora Peaks, Colt 45 and Tawny Peaks in various strip clubs around the country, I can say without hesitation that the most eye-popping, breathtaking, most thoroughly disorienting bustline in the business belongs to Minka. She is so amazingly top-heavy, she looks like she's about to topple over! Gigantic tits!

And, lastly, from Massachusetts reader J.T., an observation about Crystal Storm..."Is it me, or are her nipples looking at me cross-eyed."

6) Speaking of the aforementioned Crystal Storm, is it me, or are her nipples looking at me cross-eyed?

7) Something about Jeni's perky, rose-tipped breasts and her wonderful, flaming red muff keeps me going back to the Aug. '99 issue of *SCORE* for yet another look and, usually, another squirt.

8) Does Linsey Dawn McKenzie someday cross over the line from "voluptuous" to "plumper"? Despite the fact that her tits and hips and bottom get more womanly with every photo shoot, so far, the answer seems to be "no."

9) Diane Poppos makes my cock

hard. What else is left to say?

10) I'll admit, at first I was skeptical of *SCORE Xtra*. But, if every month's issue features even one photo as woodie-inducing as the shot of beautiful Donita, gleefully drooling love juice from her smiling face to her wonderful breasts, then you've won me over. The photo just to the left of super-busty Sofia Staks taking a jumbo cock in her mouth, ain't too bad either!

Keep up the excellent work, *SCORE*.–J.T., Boston, Massachusetts

"A *SCORE*-MAN'S DREAM COME TRUE"

Dear *SCORE:*

Okay, that's it! I've had it! I'm suing you guys for millions for publishing the March 2000 *SCORE*. The reason? Because, when I saw the cover with Chelsea Charms and turned to pages 45-53, my dick immediately swelled to the size of a salami and exploded!

But, enough of that. Now, all I have to say is, thank god for Doc Johnson! After buying the March 2000 issue, I was casually reading through the magazine when I flipped to page 36. Hello, what's this? A title reading: "New Breast Augmentation Procedure Developed." Now, before I go further, I want you to know I'm fortunate to have a girlfriend who actually likes to look at *SCORE* with me ever since she found some of my back issues a couple years ago. Now, my girlfriend has always wanted bigger boobs, although she's already a 34D. But, she never wanted to have any of the traditional augmentations done because of health reasons. But, after thoroughly reading the article on this polypropylene string, she decided to call Doctor Johnson. After two weeks of calling back and forth, she has decided to have the surgery. She wants to eventually go to a 36DDD!

I cannot believe she has decided to have the surgery done. This has been my ultimate dream come true, to have my girlfriend, who I truly love, have this done to fulfill her (and my) lifelong dream.

I will say, however, that this decision was made by my girfriend, and my girlfriend only. Never at any time did I ever press the issue of having her do this surgery, although I couldn't say I wasn't internally rooting for it. Having said that, I do not condone that anybody ever push their wives/girlfriends into something that, in the end, they really don't want to do and have them regret it later in life.

Thank you for letting me speak my mind and for allowing me to bring you the news of a *SCORE*-man's dream come true! Thank you Doctor Johnson. And, thank you *SCORE* for bringing this procedure to every reader's attention. Otherwise, I may not have been living my fantasy come true.–R.P., Toronto, Ontario, Canada

BIG BOOBS IN THE NEWS

C.E.S. 2000

Exclusive Coverage of the Boobs and Babes at the Y2K Consumer Electronics Show

I tell ya...we columnists get no respect! Hey, editors get hugs and kisses from the girls, but Boob Beat columnists...we get da finga! It ain't all that bad when you consider who's giving it to ya. Here, Suzi Suzuki, Minka, Elizabeth Starr, Sakura Sena and Yukari (Suzi's friend) welcome your trusty Boob Beat columnist to the Year 2000 Consumer Electronics Show.

As you see, a one-fingered salute was my greeting upon arrival at the Consumer Electronics Show 2000. But I more than welcomed it, considering who was providing the fingers...

Once again, your columnist guy returned to the adult section of CES feeling a mix of excitement and dread. Excitement over the number of large breasted babes who'll be showing up, and dread in knowing that the showfloor is going to be so packed that getting from point A to point B will be a major event.

Well, I underestimated the dread part. This year's four-day CES was so crowded that it resembled Times Square during the New Year's Eve Millennium celebration. More than ever before, CES has become a fan event, with thousands of guys packing camcorders and digital cameras in search of their favorite porn stars and strippers. The smart business people did their jobs in the morning, and got the hell out of there before noon, when the mega-hordes of spectators showed up in force.

By noon, the fire marshalls were already restricting the flow of entrants on line, resulting in close to three hours of waiting time. If not for my press pass, I'd have had a reason to bring a lawn chair with me...

Total attendance figures climbed over 127,000 this year, and the adult

section got the brunt of it, proving yet again that porn is the world's favorite, if unadmitted, pasttime.

This year I observed some dramatic changes in the kind of fan prowling the showfloor. They were a much younger crowd, a Gen X grouping (the tats, the piercings, the hair) with plenty of females mixed in. In fact, I was surprised at the large number of young female fans in attendance.

Porn is now appealing to a much larger section of 20-somethings than ever before. Maybe it's the rebellious nature of porn itself, which has always given the finger to mainstream cultural values.

Your trusty Boob Beat dude waded through these gigantic crowds in search of the big hooters, and it was tougher than before. Not in finding them, but in simply getting around. Fatigue and a serious lack of elbow room was the enemy.

A bonanza of large-breasted chicks made their appearances at various times, with a nice sampling of the popular names we've grown to love. The list: Tina Cheri, Sana Fey, Penelope Pumpkins, Europe DiChan, Lacey Legends, Suzi Suzuki, Mimi Miyagi, Kim Kupps, Minka, Sofia Staks, Harley Raine, Kayla Kleevage, Brittany Andrews, Donita, Elizabeth Starr (newly augmented with the new "string" technique), Sierra, Anita Cannibal, Kim Chambers, Teddi Barrett, Summer Cummings, Skye Blue, XXXena, Anna Amore, Rio Rivers and the phenomenon of the year 2000, March 2000 *SCORE* covergirl Chelsea Charms.

I knew that Kayla, Minka, Chelsea and Teddi would inspire pandemonium during their time at the Free Speech Coalition booth, and they sure did. Bill Margold of FSC calls them his "supertankers," and whenever there's a porn expo, Margold more than welcomes their presence at his booth, because he knows what's going to happen.

This was Chelsea's second appearance at an adult convention, and it was more than interesting to observe her style. Despite the onslaught of big boob maniacs going wild over her, Miss Charms was...charming, what else? She took everything in a low key, laid-back manner, seemingly unfazed by the frenetic reaction she generated. Just amazing.

As usual, security at CES is strict, with the guards looking to throw out the girls who flash their stuff. Jeez, I thought, I gotta get some naked nipples in here. So, Friday morning I drove over to Sofia's place (she lives ten minutes from me) and shot a quickie before she got dressed for the show. Thanks, Sofia. You really know how to make a man happy.

These days however, there's an important reason why most of the girls don't show their goodies on the showfloor like they used to.

Since nearly everyone has her own website today, they have become very proprietary about their images. "Don't give it away" is the new busi-

ness philosophy that all the girls seem to live and work by. The guys with the digital cameras nailed CES 2000 hard, and within a few weeks after the con, the Internet was flooded with photos. If that doesn't illustrate how things have changed, nothing will.

This year, I was hoping to find some newer additions to the galaxy of *SCORE* stars, and I partially succeeded through a sort of boob radar I've developed over the years.

Sakura Sena of Japan (Dec. '99) let me know she was on the way from Tokyo, although she was not going to promote any particular company. So, one of the goals in the forefront of my tiny brain was to find her walking around in this ocean of feminine pulchritude. And I did find her, nearly passing this doll-like beauty along the maze of booths. I froze, called her name with question mark attached, and she turned. Home run!

I don't speak Japanese, and she doesn't speak English, so her bilingual Canadian companion proved to be a Godsend. Sakura was truly amazed over CES and its intensity, and wished that an expo like this could be held in Japan. I told her that until that time comes, she'll just have to keep coming back to America.

With security ten feet behind me, we did everybody's fave, a bra shot. Domo, Sakura.

Another recent *SCORE* model also said she'd be headed to Vegas, again unaffliliated with any companies setting up shop on the showfloor. Which meant I had to keep one eye out for her along with a gazillion other girl-crazy people marching through the huge Sands Expo.

Her name is Ingela from New York City and she also debuted in the March 2000 issue. As it turned out, Ingela and her photographer, Anneli Adolfson, were in town to promote Anneli's new fetish web site, in which Ingela plays a major role. One look at the impressive Ingela, and I knew this was the stuff of which *SCORE* dreams are made of.

One of our veteran Boob Cruisers, Mike from Detroit, grabbed a shot of the three of us (the man knows talent when he sees it) with Anneli ducking under Ingela's shirt right before the flash went off. I opted for a shot of Ingela by herself for this column.

During the course of the four day nuthouse at the Sands, I also searched high and low for two other *SCORE* newcummers. One was Ashley Heart from Nov. '99's *SCORE* and June '99's *BabyFace* (a pre-boobjob pictorial).

Ashley has a website set up, although it's more of a "name" site promoting outside feeds than the kind of personalized site we've grown accustomed to. Sorry to say, I couldn't find 20-year-old Ashley. Even producer-director Jim Gunn, who's cast her in several of his girl-girl vids, didn't know where she was.

Tanya Hansen, the Norwegian model from October 99's *SCORE*, said she'd be at CES and visiting the Sin City booth, so I was psyched to meet

her. Scandinavian sex stars Linda Thoren and Katja Keane were at Sin City and drawing the faithful with their beautiful faces and great legs, but, unfortunately, no Tanya. A few weeks later, I got an e-mail from Miss Hansen saying she had to stay in Norway that week due to a sudden family emergency.

All in all, two out of four ain't bad. Not your typical Vegas odds, which is nice for a change.

One of the more "unusual" (if that's the word) exhibits was at New Twist, which is an offshoot of Napali Video. Vanna Lace truly whipped the guys into a lather by promoting Superbabe 2000, a futuristic sexdoll which was made in Vanna's image.

Vanna, a tireless performer, spent four days taking Polaroids of herself with the guys and Superbabe. I asked Ken Kirk, Superbabe's creator, why he chose Vanna as the prototype.

"She's worked for me [for Napali], and she's one of the most dependable girls in the industry," Ken said. "She's always in great shape, has a clear head and gives her all. Yesterday [Saturday] Vanna worked eight straight hours without a break. How many would do that?"

We both watched Vanna do her magic with the fans, and I couldn't agree more. As far as the doll, Kirk said the orders and sales have outperformed his wildest expectations.

All the more amazing was this guy-"toy," that cums with a ready-for-action mouth, pussy and asshole. The cost? Five grand. Mike (*SCORE's* editor) and I figure we need raises to live that high a life–that or lots of donations. Ya'll can send them to *SCORE*.

Yes, it is a bizarre world. And, I

THE T&A 2000 PARTY

It was truly a great honor to be the only American big-breast magazine representative out of two correspondents invited to cover the T&A 2000 Party starring Minka, Chelsea Charms, Kayla Kleevage and Suzi Suzuki. The other reporter was a photo-columnist for Japan's *Bachelor* magazine, Akihiko "Momo" Momoi, whom I have known for years.

This fan photo shoot and private party was held on the second night of CES in a two bedroom suite of a swanky Las Vegas hotel. It was a well-coordinated affair from beginning to end. To keep the flow of arrivals smooth, the 40 guests were picked up by shuttle bus and transported en masse. Momo and I arrived on our own.

Since the shoot began around dinner time, the T&A crew had laid out quite a spread (pardon the expression) of food on a huge table and there was a fully stocked bar. I swear, when these girls hang up their bras, they oughtta become caterers.

A friendly guy named Mike served double duty as barkeep and security man. However, Mike's services as the latter were not needed. This group of fans was polite, respectful and very well behaved gentlemen to the last man.

Before the photo shoot started, Kayla gave a short introductory speech and went over the rules, which were signed by each guest. In short, everyone agreed that the pics they would take were for their own personal use and not to be splattered all over the Internet. Video cameras were not allowed, only still cameras.

Once this preliminary bit of business was finished, the photo shoot began. First, group shots of all four ladies cavorting on the living room couch. Then, pair-offs with Chelsea and Suzi, and Minka and Kayla.

Suzi pulled an assortment of sex toys and dildos out of her seemingly endless trickbag, a collection that rivalled the inventory of a porn shop. For one shoot, Kayla and Minka chose the balls-on-a-string for insertion into Kayla's pussy. Some of the guys were so entranced by the action that they just watched instead of taking photos.

Once the shoot ended, the party continued with each girl doing private dances in the bedrooms. That continued on well past midnight, and even your columnist guy couldn't resist getting one from *SCORE's* Miss March 2000. I did it for posterity, loyalty and patriotism. How'd it feel? Well, those incredibly huge tits felt great, that's for damn sure.

I left the suite about two a.m., tired but filled with a curious kind of energy. The megaboobed world is a wonderful thing. Thank you Minka, Chelsea, Suzi and Kayla.

A MUST FOR ALL CHLOE FANS!

CHLOE'S WORLD

ONLY IN...CHLOE'S WORLD! INTIMATE SNAPSHOTS AND CHLOE'S OWN PERSONAL DIARY!

CHLOE'S PERSONAL DIARY... AN EXCERPT:

As a young girl I always kept a diary, but I was somewhat hesitant to put it in "Chloe's World" for everybody to see. For me, my diary was my secret heart. I was able to write things in my diary that I couldn't tell anyone else. It was my safety net, my security blanket. But, after much thought, I have decided to throw caution to the wind and give it a try. Come with me now on our life adventure. Each day, like you, I live a full, normal life. Some days are more exciting than others, but each day is a day we live to the fullest...

WEDNESDAY, OCTOBER 27, 1999

Dear Diary: From now on, you and I will always be together. You will always be with me. To you, I will reveal my thoughts, my secrets, my dreams and my visions. And I will tell you how I spend my days...and nights! Where to start? So much has happened in my life, that I could easily write a biography. Since I believe that a person should live in the present, I will try not to dive into my past days...too much. Lately my life is changing so dramatically, I feel that I am going through a very special time in my life. I feel that I am starting a new life, a new beginning...

WWW.CHLOESWORLD.COM

must confess, I just report about large-breasted strippers. I never claimed I understood them. Probably the biggest surprise for this columnist guy was seeing an ad for Hollywood Video/Totally Tasteless Video's new releases: *Big Titted Gang Bangs* and *Big Boob Bangeroo 16*. That's because they both star Tiny Nicky Tease, cutie-pie *SCORE* and *Voluptuous* model, and 1998 Boob Cruiser. "Yipes!" is all I got to say.

You wonder where porn is heading in general? That's a tough question, bro. It looks like 1999 yielded close to 10,000 releases, and this year will see an increase in that figure. And that doesn't count all the thousands of Internet models making and selling home vids through the mail. No one can possibly come up with an accurate figure anymore.

Porn will also continue its way to more extreme, highly specialized subject matter. Rough sex. Weirded out fetishes. Freaky people and their unkosher sex practices. Insane gang bangs. You name it. Every company is trying to outdo each other to grab a bite of that consumer dollar, as profits go down and competition hits brutal levels. And, except for the big tit specialty companies, the studios are not interested in the megabreasted girls. The semi-pro, *Naughty Neighbors-BabyFace* "look" is in.

The wild, wild west of the adult Internet sites is also fueling this extreme style of porno. Shock value is the name of the game, like the old time carnival barkers who dared people to lay their money down and draw back the curtain, if they dared.

This year's winner of the Adult Video News (AVN) best big bust video award was *Natural Wonders of the World Vol 5*. If you've seen it, you know why. Congrats to director Roy Alexandre for a job well done.

Next year there will be major changes as AVN takes over the adult section of CES, after years of CES control. How will things change? Will the show get back to its business roots and become less of a fan event? Only time will tell.

We'll be back next month with a report on the revamped Interactive 2000 show, the premiere trade expo for the Adult Internet industry.

VIDEO: *Busty Auditions–Ariana & Adina*–XXX-rated, solo masturbation and girl-girl, available on page 98 of this issue

Exotic looking, huh? That's what we first thought when *SCORE*-man K.S. from California first sent us photos of Ariana. He swore by her boobs and her sex appeal, and we figure K.S. oughta know–afterall, he was the first to spot Carrie Lynn. Now, K.S. is receiving a SCORE Group finder's fee and Ariana's getting famous. A Los Angeles dancer; born in Afghanistan; 20-years-young in every way, shape and curvaceous form; quite chatty with a little, but very sexy, girly voice, Ariana's looking to enter the wonderful world of feature dancing and she's off to a very good start with her *SCORE* debut.

Quite confident in her sexuality and very young in spirit, Ariana is one of those girls who thinks the world is her oyster, and she wants every, last, gooey morsel. She'll get it, too. If we had to guess, we'd say Ariana's going to be a fixture in adult entertainment for many years to cum. Yes, *cum* is the correct spelling. We oughta know. Ariana was in SCORELAND shooting video, posing, interviewing and, boys, this chick is sexy. Her very lean body makes her tits look absolutely gargantuan in person and especially on video. Yes, we said *video!* Ariana did her first-ever video–a solo masturbation, with posing, an interview and even bellydancing. Plus, she got off big-time in a dildo-filled, mighty raunchy girl-girl with Adina. The tape's available for the first-time ever on page 98 of this issue. Just keep turning those pages, check out Adina on page 42 and when you get to page 98, dig in! Trust us, you'll be mighty glad you did!

Sweet Dreams

EROTIC FICTION BY VICTOR MCHALE

He didn't know what his wife was dreaming about. But, he did know it was damned good...and her teddy bear was having all the fun!

When I pulled into the driveway, it was nearly midnight. I was exhausted. I hoped the warehouse strike would be settled soon, knowing very well that it wouldn't. I left the car in the driveway, too tired to bother with the garage door. Maybe someone would steal the blasted thing, then I could at least get a day off. Now, all I wanted was a bite to eat and some sleep.

I unlocked the front door as quietly as I could. Although my wife had left the lights on, I knew she and the kids would be fast asleep. I didn't want to wake them. It was bad enough I had to keep these insane hours. To make their lives as miserable as mine. Nah, I wouldn't do that.

Instead, I tossed the keys onto the coffee table with disgust before staggering off into the kitchen, wincing at the noise they made.

Standing in front of the refrigerator, a sudden wave of loneliness washed over me. When we bought the fridge, four years ago, Janice and I had been fucking like bunnies, trying for a second child. Now look at us. When was the last time we made love? Too long ago, that was certain. Why did the warehousemen have to call a strike a month after my promotion? I should have been in management training, not spending double shifts at the wheel of a

ILLUSTRATION BY OTIS SWEAT

fucking forklift. But, training or no, I was "management." I work while they strike, and I couldn't even get overtime for it.

Maybe a glass of milk before bed would make me feel better. It always did when I was a kid. When I opened the refrigerator, I saw that Janice had left me a sandwich, and I silently thanked her, but I was too tired to eat it. I could take it to work with me tomorrow.

Tomorrow? Shit, today. The clock on the microwave turned to 12:00 as I watched. Time for bed. I barely had energy enough to turn out the lights as I stumbled to the bedroom.

I was glad Janice still cared enough to set out a sandwich. I'd been neglecting her terribly, lately. She was showing considerable patience with me. She took my absence without complaint, but I knew she was lonely. I had been expecting an explosion from her for weeks. Sometimes, you get lucky. I decided that the luckiest day in my life was the day I met her.

There she was, sleeping curled up on top of the blanket, her book fallen on the floor, inches from her delicate, dangling fingers. A cup of tea sat on the night table, cold and forgotten. I grinned. She was hogging both of the pillows.

Asleep, she looked like a little girl, her full breasts hidden by her slumbering body. A young girl, carelessly asleep in her scanties, her face pressed into her pillow. God, I missed her. Twenty-eight and a mother of two, yet Janice still has a shy girlishness that I love and an incredible body most men's magazines would die for.

Her soft, blonde hair half-covered her face, and her soft, round fanny stuck out saucily. I would have liked to see her breasts rising and falling gently in her sleep, but the view of her rear made up for it. Barely covered by satin shorts that were slit dangerously high–tap pants, she called them, with a matching top, it was an enticing sight. I sighed. She'd been waiting for me, nice and comfy in the cozy little nest she'd made for herself–she even had her big teddy bear sitting companionably next to her, with its wide, goofy eyes. All that trouble, just to fall asleep as she waited to ambush me with her body.

A busty, sleeping angel, in white. How could I tell her that I didn't have the energy to make love? You tell her, Mr. Bear, I thought, I don't have the heart to break hers once again. She moaned softly in her sleep, dreaming about a better life, while I stood above her wondering why mine sucked.

The last time we'd even come close to making love was when she had gotten up to check on the baby in the middle of the night. Feeling a little lonely and lot horny, she had crawled back under the blankets headfirst to take me gently in her mouth. A blue-eyed seductress, ravishing me in my sleep, yet despite the tender, erotic suckling of her soft mouth, I'd come within seconds of sleeping through the only sex I'd had in weeks. I'd woken gasping, my enormously engorged prick already throbbing, just in time for her last, deep, throaty sucks.

A single, deep moan and Janice looked up at me with a nasty, but oh-so-seductive smile, moving up my body. She took my engorged cock between her big, full, pillowy breasts as I groaned desperately. A double D, Janice has a lot of cleavage, but my erection filled it all. Moaning, she moved those big, soft tits up and down my cock until I spurted my cum over them, and I gasped as they became almost unbearably slick with my love sauce.

Janice cuddled up between my legs with a grin, indecently pleased, although I had missed most of her nocturnal blowjob. She said that bringing me to the edge of orgasm in my sleep had been one of the sexiest things she'd ever done. If she was a bit disappointed that I had slept through the best blowjob she'd ever given me, it didn't show. I stroked her hair and assured her that I had felt every bit of it in my dream. I had, every tender lick, and it had been magnificent.

That was two weeks ago. Now, Janice sighed again, turning slightly.

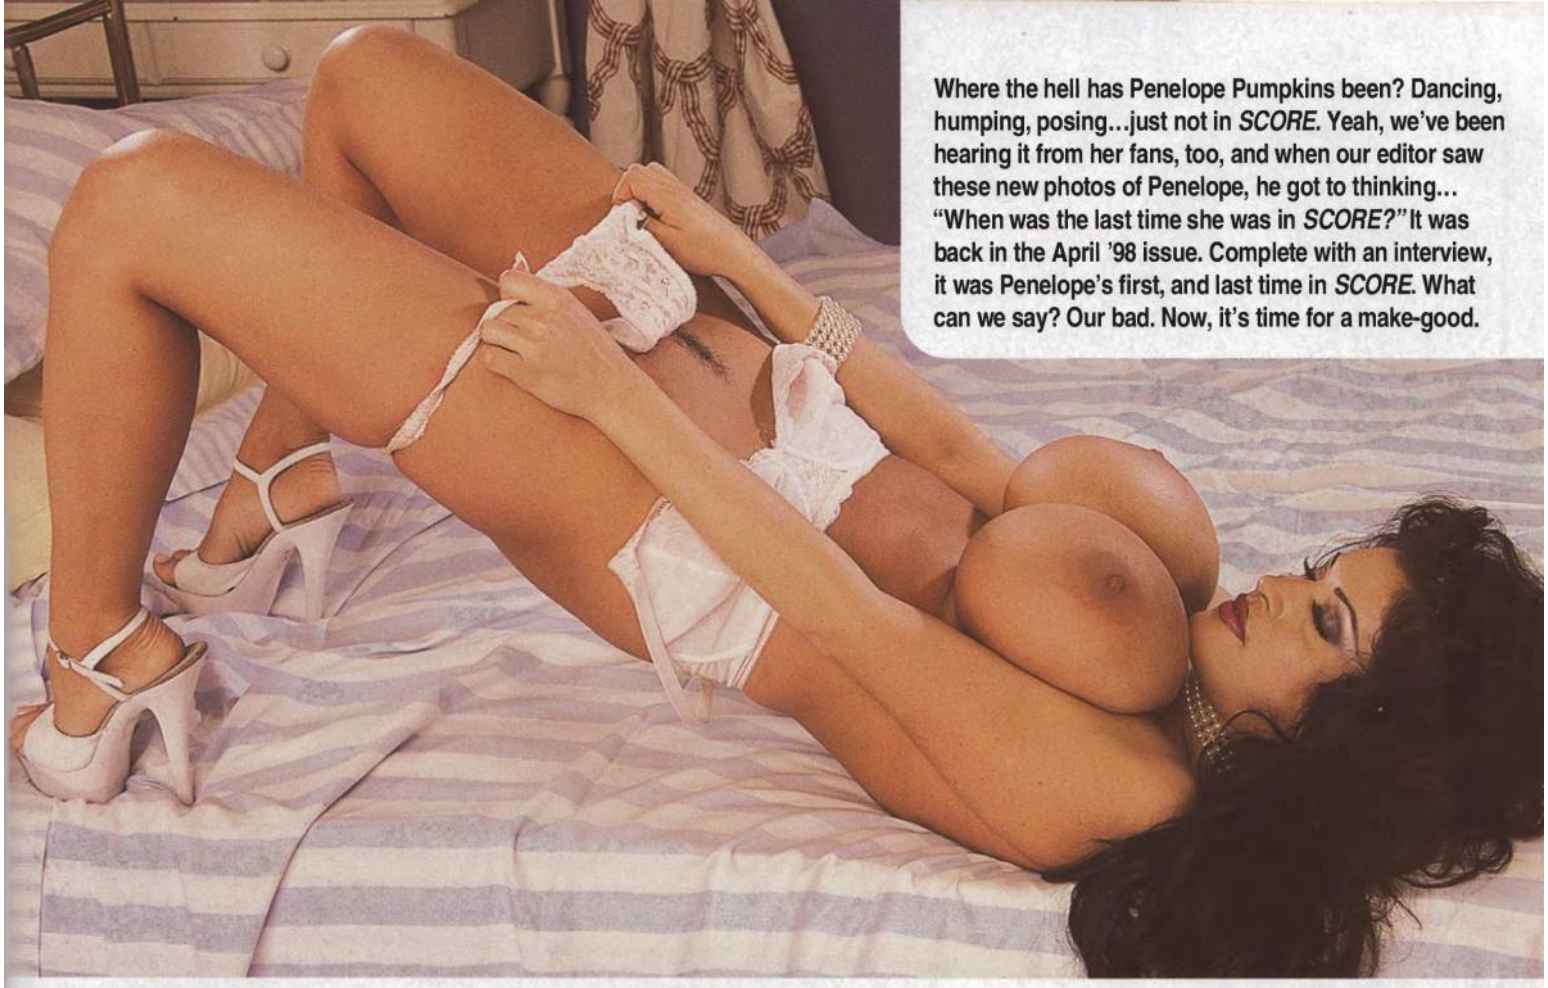
THE STAR OF *BOOB CAGE #2* IN HER LONG-AWAITED *SCORE* ENCORE!



Where the hell has Penelope Pumpkins been? Dancing, humping, posing...just not in *SCORE*. Yeah, we've been hearing it from her fans, too, and when our editor saw these new photos of Penelope, he got to thinking... "When was the last time she was in *SCORE?*" It was back in the April '98 issue. Complete with an interview, it was Penelope's first, and last time in *SCORE*. What can we say? Our bad. Now, it's time for a make-good.

A dancer, model and porn star, Penelope has been in just about every big titty magazine in the world since busting onto the nudie scene a couple of years ago. She's also done some hardcore videos, including Roy Alexandre's *Boob Cage #2* (available on page 39 of this issue) and been a mainstay at the adult conventions. Basically, she's done everything she's had to do to become a star in the adult business. "Everything except be in *SCORE* more often!" Hey, Penelope's not bitching. That's not her style. She's just pointing out the obvious. Our apologies Miss Pumpkins... we'll do better next time–promise.

SWEET DREAMS

Continued from page 30

In her sleep, she brought her knee up, opening herself. I could see delicate, pink lips peeking through a gap in her tap pants, and her movement had freed a breast from under her body, making a soft mound in the sheer satin of her top. Her breaths were shallow, but very quick, almost as if she were running. I smiled to myself. When I was young, I had a dog that chased things in his dreams...

But Janice wasn't a dog, and she wasn't being chased. Or even chaste. Despite my fatigue, I couldn't help but notice the aroused flush that crept steadily up her neck. Suddenly, I wasn't as tired as I had thought.

After that blowjob, Janice told me that my prick had been throbbing and bobbing erectly in my sleep when she came back into the bedroom, as if it had noticed she had left and was searching for her. She had not been able to resist a taste, saying that my prick was far too cute to pass up. She'd missed it, and she'd been very aware of what she was missing, lying night after night with her rear pressed against my groin, spoon fashion. She told me with a laugh that she could feel erection after sleepy erection press comfortably against her lonely ass.

Apparently, I had a lot of erections in my sleep.

It also appeared that I was not the only one who got aroused in my sleep. As that flush reddened my wife's skin, her breath came faster, more shallowly. Some of the best things about our marriage are the secrets we share, but Janice still keeps a few little mysteries to herself. She had just smiled cryptically when I asked her whether she had many erotic dreams. She wouldn't tell me a thing. But her secret was a secret no longer.

I wondered–just what kind of kinky sex did Janice have in her dreams? And with whom? The sleeping angel sighed again, not so innocent an angel after all. I smiled. This was my opportunity for the best kind of payback.

As quietly as I could, I tiptoed up to her. Her breathing slowed for a moment as her arousal seemed to fade. I felt a stab of disappointment. Whatever her dream had been, it was over far too soon. Her body settled as she relaxed into a deeper sleep. Then, as her body relaxed, her satin top tugged against her nipple, pressed gently against the mattress, making it slowly harden once again. Janice's big breasts are extremely sensitive, more so than just about any other woman I've ever met, and her dream lover had just kissed them.

Awake, she gasps whenever I do that. Asleep, she barely stirred. Nevertheless, the flush crept back up her neck, deeper than ever. Was she doing it a second time? With a second man? I had no idea, but I ached to enter her dream.

Hesitantly, I reached out. At the last minute, I pulled back. If I touched those so-sensitive nipples, I might waken her. Besides, I love to hold her heavy breasts in my hands so much that I might give into temptation, and squeeze. But I could do that later. Instead, I moved my fingers to her thigh. Even there, I'd have to be very, very gentle.

An inch away from her skin, my fingers trembled with the desire to touch her. It took a complete effort of will to still them, but still them I did. Cautiously, I gently brushed her skin, then softly caressed the back of her thigh.

My heart skipped a beat when Janice murmured in her sleep, and I expected her to awaken and catch me. But, it was just a dreamy moan from my touch. For an instant, I had entered her dreams. Then, again, another moan. Once more, my light touch entered her world.

Another murmur. I wondered if Janice dreamt that she was sighing with contentment, or was she shrieking with pleasure? Well, there was only one way to find out. Carefully, I let my fingertips wander, touching her here and there, as my caresses moved up her thigh.

Whatever Janice's unconscious adventures were, her soft, sleeping

at home with Roxy Rider

VERO BEACH, FLORIDA

The peek-a-boob look continues with *SCORE*-girl, Boob Cruise '98 babe and now E-Bay entrepreneur...Roxy Rider. *E-Bay?* What about dancing? Roxy still does that. But, when she's not in gentlemen's clubs, she spends most of her time in front of her computer selling vintage clothing and western wear on E-Bay. "It's quite lucrative, too. I sell upwards of 500 pieces a month. I even sold some of my dancing costumes to drag queens, if you can believe that!" She runs her business from her three bedroom, two bath, Vero Beach, Florida home (Think Orlando, due east to the coast), which comes complete with a two-car garage where Roxy stores her baby, a 1967 Shelby Mustang. Fully restored, her significant other races this vintage hotrod at Sebring, Homestead and Daytona, with Roxy in the pits. Her other mode of transportation? That's Roxy's trusty Suzuki Sidekick. "It has 230,000 miles and is still going. I may get a Chrysler Sebring in a couple of weeks, though may-be not. I'm torn. I love my Sidekick so much." She also loves her flowers (Pentas), cooking and, of course, her toy box. "You caught me! Hey, what can I say? Every girl needs a big toy box. I tell all of the guys I meet in clubs, don't send money, send batteries!"

So, will Roxy ever pose again? Yes indeedy. She just did a girl-boy pictorial and hardcore video scene, which *SCORE* will be featuring very soon. Watch for those goodies in an upcoming issue, along with more special pictorials of your favorite *SCORE*-girls where you've never seen them before..."At Home."

A DENTAL STUDENT/PORN STAR? WITH NEWCOMER ADINA JO, LOOKS CAN BE DECEIVING!

CHECK LIST

ADINA JO

AGE: 20 **BIRTHDAY:** September 18, 1979
HEIGHT: 5'7" **WEIGHT:** 132 lbs.
BRA SIZE: 34DD **MEASUREMENTS:** 40-24-34
BORN, RAISED AND LIVES: Nevada
ETHNICITY: Italian
OCCUPATION: Dental student
VIDEO: *Busty Auditions–Ariana & Adina*
(XXX-rated, solo, girl-girl, and video interview available on page 98 of this issue)

Popping your corks this month is a newcomer. Her name is Adina Jo, she's from Nevada, and if she looks very uninhibited, that's because she is. Yeah buddy, Adina (her real name!) will stick just about anything inside her–dick, dildo, finger, tongue, even a wine bottle, despite the fact she can't drink legally most everywhere in the world. Hey, she's 20 years old with a killer body, and she can go as far in the nudie world as she wants to. The only question is, does she?

Will Adina become the next-great-thing? Not likely. Sure, she has pancake areolae to die for that are "so sensitive, they're scary" (Adina's own words.), a slim, dancer's body and is pretty enough to get picked up in any bar. But, when her clothes are on, the girl is very...focused. A dental student, Adina is working her way through college, and she needed some extra cash to pay tuition. Enter, The SCORE Group scholarship fund. We cut her a check, Adina flew to Miami and, abracahardon, the magic happened. She even did masturbation, raunchy girl-girl with Ariana (page 21) and hardcore, which surprised the hell out of us, this being her first photo shoot and all. How good was Adina? We came! You will too once you turn to page 98 and order up. Only, bring plenty of tissue. You see, not only is this Adina's first video, it might be her last. Once she graduates, the girl's going full-time into the dental-thing, leaving only these pictures and her video as memories of a one-shot wonder who could have been a star, if she only want edto.

THE LIFE OF A FEATURE DANCER

COLUMN BY **ALYSSA ALPS**

Yee-haw! Howdy pardners! Feel like a ride?!? Yep, as you can see already, it's been a very good month. Remember in the June 2000 *SCORE* when I had all of those Navy boys to play with. Well, this month, I partied with the frat boys in Lincoln, Nebraska. They're a bunch of little devils, those Sig Eppers! They partied with me all night long, promised me a place to stay and free beer the next time I was in Lincoln. Ya gotta love higher education! Bless their horny hearts.

Well I survived the ice storm that hit Atlanta not one but two weekends in a row, as well as every other adventure that could possibly come my way. Actually this month, for being the middle of winter (remember our print schedule–way in advance), all went pretty well. What a surprise! I made it to everywhere I was supposed to be on time–whoopee! Now, enough babbling, and on with the show...

Stroker's, Atlanta, Georgia

Back in Atlanta again. The ice storm didn't stop business much. I guess nudity takes precedence over bad driving conditions in the South, too. Up north nothing stops the boys from coming in; it's nice to see this kind of drive in the South!

I had a nice, easy week and saw many of my club pals, especially my boys with the killer butts–Craig and

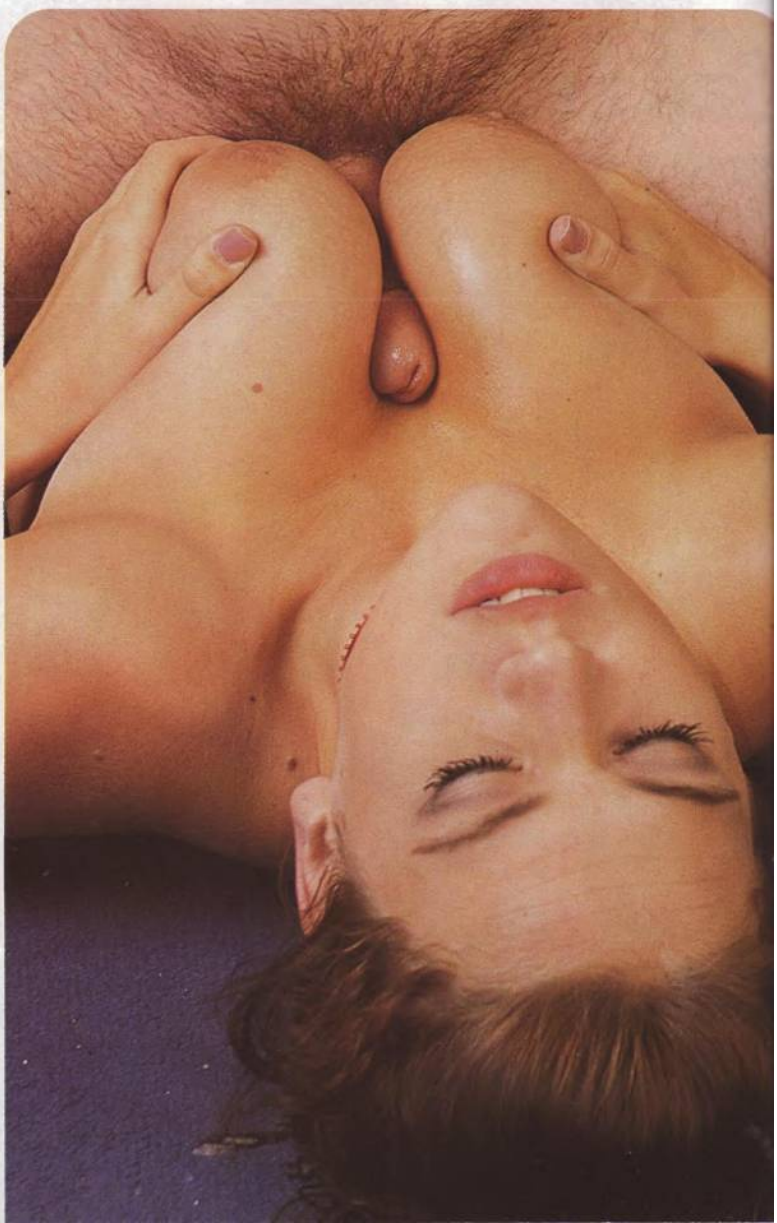
DAIZIE

A VIRGIN NO MORE, 18-YEAR-OLD DAIZIE KELLOGG'S CHERRY GOES *BOOM* IN HER HARDCORE DEBUT!

Ironically, the photographer was joking with Daizie when he brought up the idea of doing a guy on camera, but she got that twinkle in her eye. Only, she wouldn't do video. We know, we know...life ain't perfect. But, Daizie had this thing about live action..."Too intimate. Plus, if I ever have kids, they might see it." Sucks, too, because the word from the photo set was, Daizie can fuck like a champion! For the low-down on just how good Daizie is in the sack, we go to... Moose. We shit you not. This lucky stiff's name is Moose, and he was bellowing like one with Daizie..."Oh man, I wasn't the only one. She was getting off all over the place. Even the photographer was popping wood. She's good, *really* good. Some girls just lay there, but not Daizie. I swear, I can't believe I actually got paid to fuck her. If I got to do it all over again, I'd pay her...that's how good she is!"



What did Daizie think of her first-ever hardcore pictorial? "It was great. I mean, it was really, *really* great. I haven't had a whole lot of sex in my life. But, what I have had, I know it's not the greatest," confesses this 18-year-old, San Diego waitress who is contemplating college, but hasn't really decided what she wants to do. "To be honest, I've really only had sex in cars and in my folks home with them sleeping in the other room. This was wild sex–my first. I mean, how many times in life do you get a man to fuck your boobs and go all over them? This was way cool. And, I swear, I didn't know you could cum that much at once. I mean, I've done it once or twice–you know, by myself–but never all those times with a man. Thanks, I really needed this!" You're very welcome, Daizie.

CHLOE & KATHY

FROM ULTIMATE CHLOE...TWO BEST FRIENDS GET IT ON!

Anybody who has seen *Ultimate Chloe,* knows these two busty babes ain't play-acting. Nope, they love to lick each other's pussies, and can you blame them? For the record, and for all men who have done a Rip Van Winkle the past seven years, the woman with the red hair and the big tits is Kathy, a Russian native who now lives in England and is making quite a name for herself as an expert muff diver. The woman with the brown hair and the *really* big tits? She's Chloe Vevrier, the most revered, all natural big-titter of the '90s. These photos are from *Ultimate Chloe,* the German Wunder-babe's hardcore debut (available on page two of *SCORE Xtra*), which starts out with Chloe and Kathy doing exactly what you're seeing here. And, you have to give Kathy credit. Normally, when a woman gets it on with Chloe, it's a helluva learning sexperience. But, with Kathy, you basically have two poontang-pros...and it shows!

Good friends in real life, Chloe and Kathy have done this before–in private. "I think that's why our video was so hot," says Kathy, who, despite being very polite and soft-spoken, is quite the dominant, kinky girl during sex. "If you just meet a girl, then do it, there's always apprehension. You don't know what gets her off. With Chloe, we both know how to get each other off, and when we were doing the video, we were both so horny, all we wanted was to climax as much as we could." If you've seen *Ultimate Chloe*, you know Kathy's true to her words. And, if you haven't, in all objectivity, what the hell are you waiting for? Turn to page two of *SCORE Xtra* and dig in. Thousands of your fellow *SCORE*-men have, and they're absolutely loving it!

BUSTY BABES DO HARDCORE!

THE MELLON MAN IS ON A QUEST FOR THE BEST BREASTS, AND HE HAS HIS CUM SHOTS READY!

LETHA WEAPONS

Talk about some raunchy hardcore! The *Mellon Man* series of videos has it. Sure, some of the girls like Lynden Johnson and Pantera have never been featured in *SCORE*, but gals like Letha Weapons and Lilli Xene...they be stars! And, as you can see from these video clips, taken straight from the tapes themselves, the action is...hard! Good boob stuff, too. The Mellon Man loves his titties and, though the plots and set-ups are a bit hokey–Letha gets porked by a pizza delivery boy? Yeah, right!–the video quality is first rate, and done in a up-scale pro-am formula. With good audio, you not only see plenty of fucking and sucking, but you hear it as well. That's right...NO ELEVATOR MUSIC! Just moans, groans and plenty of cum shots. Heck, Letha takes three because her pizza-boy bust his nut so quick. Trust us, he ain't the only one!

LILLI XENE & DEANNA DEVLIN

LYNDEN JOHNSON

SALLY LAYD

MELLON MAN #1

Each *Mellon Man* video stars between four and six busty babes, and we show you Pantera because, well, she gets it, *butt*-good! Still, on *Mellon Man #2*, the stars are Summer Cummings and Skye Blue. No, you're not imagining. That's Summer taking one standard dildo in the ass, along with some kinky tickler thingamajig. Later, she pops pussy balls then lays into Skye with a strap-on. Kinky stuff, indeed!

PANTERA

KINKY ANAL WITH SUMMER CUMMINGS & SKYE BLUE

MELLON MAN #2

Tit-power is what the *Mellon Man* videos are all about, and in *Volume #3,* big-tit porn legend Kim Kupps puts hers on full display. Between giving her guy a titty-facial to taking a cum shot to the face, Kim does...well, you can see for yourself! She's no stranger to hardcore, though we will tell you that some of the sex talk in the beginning is dubbed. Only for about 30 seconds, and then you get the real Kim, which is a damned good thing because this busty slut is as nasty as they cum!

MELLON MAN #3

With the biggest boobs and the horniest attitude, Kim Kupps is indeed the star of *Mellon Man #3*, and worth the price of admission alone. Still, we dedicate an entire page to Nikki Sinn, who has never been in *SCORE*, but sure can fuck! Very passionate and horny, you know how on some porno flicks, the girl's show jack-shit for enthusiasm? Not Nikki. Her scene, complete with an acrobatic anal rheeming, is perhaps the most sexciting on the entire tape. Turn the page and check it out for yourself. We came plenty and you will, too!

VALERIE FIELDS ONLY BOY-GIRL

SHE'S ONLY PLAYED THE SKIN-FLUTE ONCE ON CAMERA, AND HERE ARE THE PICTURES!

You guys know how close you came to never seeing these photos? After Boob Cruise '97, Valerie Fields, who had never done boy-girl before, was in our London studio posing solo when she said, "How about a boy-girl?" Photographer John Graham, who has seen it all, just about fell down from the shock. When he realized Val wasn't joking, he called some English porno stud, and that very same day, Val was doing the nasty. "I wanted to do it before she changed her mind," remembers Graham. Unfortunately, in his haste, or maybe it was the shock, Graham forgot about F-stop this, exposure that, and these photos were dreadfully underexposed–i.e., very, very dark. Val never did another boy-girl after that, and we've had these pictures in our photo library ever since, hoping that one day we'd have the capability to present them. Well, it's time to thank whomever you hold holy for high-tech, because here they are...Valerie Fields' only boy-girl pictures.

We only wish the photographer had shot some insertion pictures. But, that wasn't all the rage three years ago like it is now. And there was no way Valerie Fields was going to do a hardcore video, so put that thought out of your mind right now. Still, for those of you wondering what she's like, the word from a man who knows all about Val is, "She's like a traffic cop in bed. Val knows what she likes and how she likes it, and she isn't afraid to tell you. She likes to climax, too–loves it, in fact, and not just once...many times." And, just so everybody knows, that ain't the Masked Pornographer speaking. It's a regular guy Val met on Boob Cruise '97 who has seen her socially since and can attest that, yes, miracles do happen. We agree. Otherwise, you wouldn't be enjoying these photos!

Hot-lanta sure was freezing during Super Bowl weekend. You can tell by Leslie Wells' beaver coat, can't you? I had on her coyote one in the Lenox Mall for some shopping. I have to tell you, I love Atlanta. You get great Super Bowl souvenirs for the friends back home, plus I get to see my butt-men, Dave and Craig (bottom photo). I showed you their butts the last time I was at Stroker's, now here are their fronts. Watch for Craig on WWF wrestling, too. He's Thunder. Dave is lightning and me, I'm just in heaven!

After Atlanta, I took a week off, then went to Nebraska to play with the frat boys, and then to Flint, Michigan, where it snowed like crazy. Here, the club's manager, Tommy, is keeping me warm. Inside, I had lots of dedicated guys, like Wiz and Rickie to keep me company. Lots of good guys in Michigan–very knowledgeable about dancers. They've seen them all, so nothing impresses them, including yours truly. But, we still had a lot of fun! Everybody enjoys that, right?

Dave. I gave my female fans a frontal view photo this time–cute aren't they. Great news, too. Craig, who has been wrestling for years, has finally signed a contract with WWF as his character, Thunder. He has a tag team partner, but I don't remember his name. I'm just so happy for him.

I stayed at Leslie Wells' house while I was in town and got to use her new Tahoe. Very nice, and two tons of metal and four-wheel drive are quite handy in bad weather. What I didn't get was, I'm in this huge beast of a vehicle driving 50, and there were small cars like Escorts and Geo's whipping by me doing 80–nuts. They hit something, and it's squish.

I got to pick up my Super Bowl XXXIV souvenirs for my friends back home at a hotel in downtown Atlanta, which was conveniently located by some fabulous shopping. Yes, Leslie and I braved the weather to make a trip to the Lenox Mall during the second ice storm weekend to do some shopping. Thank goodness for valet parking.

Being the South, no one was prepared for the weather with rock salt for the ice, and this includes Leslie. I busted my ass big time on her front stairs. No injuries though. Thankfully I was wearing her huge coyote coat and matching headband. Warm and a body protector, too. Not much else this week, just enjoying the icky weather, playing with the boys in the club and staying away from all of those football players in town.

A Much Needed Week Off, Somewhere in the U.S. of A.

I have been running non-stop since before Christmas, and I'm pooped out. I went somewhere fun and relaxing, where I didn't have to wear make-up, big costumes, stay out until five in the morning. You know, what they call a normal life. The only business I did was a few phone calls, which happens no matter where I am or what I'm doing. I went to the fights and watched grown men duke it out. I also saw some little people boxing (sorry, I don't know what the politically cor-

rect term is) and even watched some six to 10 year olds duke it out, too. I hit some bars and restaurants, had a dinner party for eight that I got a little tipsy at (I always manage to get tipsy at my own events) and I didn't do one sit up for a week.

Ta-da, that's my week. Sorry no pictures of my get-your-head-together time off. I didn't want to scare you! Remember, no make-up!

Shaker's, Lincoln, Nebraska

It's hard to go back to work after a week of doing nothing, but if you have to work, Shaker's is the place to do it. One of my favorite clubs, I just couldn't wait to come back. Actually I waited almost years to visit here again.

A great club and the guys were out in full force. I know most of the regular customers already, so I just fell right back into the groove of things. The small but super staff was a joy to work with as usual. There's nothing to do in Lincoln in the winter, so I just took it easy during the day and worked my butt off at night. The guys that come in here expect a very fun, high-energy show, and I definitely delivered. I even did some special VIP tabledances this week, which isn't something I usually do. Most of the time the clubs don't want us to, but other times the housedancers are doing lap dances and I don't like doing those; it's a personal thing.

Guess what? I am now the mascot of the Sigma Phi Epsilon house on the Lincoln campus. How fun! You'll see from the photo that 15 of them came in on Friday night, and they even had a going-to-see-Alyssa party beforehand. I did get invited to the after-party at their frat house, but, like I told the boys, I didn't even go to keggers when I needed a fake ID, so I passed. I'm more into reading a book in my jammies after a night of work, most times anyway. Exciting, huh?

I do believe that was the most exciting, different thing that happened this week. You have to remember that the Midwest kind of goes into a waiting-for-spring coma in January, so I'm sure I'll have

THE RETURN OF ANGELIQUE

UNFORTUNATELY, THIS MAY BE THE BRAZILIAN BOMBSHELL'S SWAN SONG.

It's funny, we just don't think of Angelique as a big-boob veteran. We still remember when she first sent us snapshots wondering if she was good enough. How guys went ga-ga over her Dec. '94 *SCORE* debut. How gentle and shy she was on Boob Cruises '95 and '97. How her popularity grows with every published photo. How...how...how can somebody be over-the-hill at 30? That's the question we've been asking ourselves, and one only Angelique herself can answer.

CHECK LIST

ANGELIQUE

AGE: 30 **BIRTHDAY:** March 17, 1970
HEIGHT: 5'4" **WEIGHT:** 133 lbs.
BORN AND RAISED: Sao Paulo, Brazil
LIVES: Brazil and Germany
PREVIOUS *SCORE* APPEARANCES: Sept. '99, Dec. '98, Boob Cruise '97, Aug. '97, Sept. '96, March '96, Dec. '95, July '95, April '95, Dec. '94 (debut)
FOND MEMORY: "Dancing on Boob Cruise '95. I had gone through so much to get there–from being robbed on the bus in Brazil to visa problems–that to dance and see the happiness on all the faces...it was very satisfying and made me very happy."

"I think it is time," says the Brazilian Bombshell from her home in Sao Paulo–Angelique's broken-English much improved since her Boob Cruise '95 interpretor-needed days. "I've turned 30, and I don't want people to look at me and think about what I used to be. That would make me feel ashamed. I don't know if these are my last photos, or if I will pose some more. But, I do know that I will retire soon. I have made a good life for myself and my family from posing, and I have many beautiful memories. Thank you everybody for making my time in the spotlight very special. *Obrigado.*" No, Angelique...thank you.

more interesting things to tell you about next time–which will be in October. More then! Oh by the way, hi to all my big boys–Ken, Dwayne, Bob, Scott, Kip and Ryan, who asked me to mention their names.

The Men's Club, Flint, Michigan

Yes, the Midwest tour continues. I stopped by my house for a few hours, switched clothes, did some laundry, found my missing tax records, gathered my fan mail and bills, got some sleep and left at five a.m. in my truck bound for Michigan. Not a bad drive. Only about six hours but I killed my average stuck on I-94 in Chicago during rush hour traffic. I managed to arrive by noon and did a three p.m. show.

I decided to drive because the airlines wanted too much money for shitty connections on tiny airplanes during a predicted bad winter patch time. Yep, that fear of dying…make that, flying, will get you every time. That and I kind of miss my truck.

I haven't been to Flint in at least five years, so I was a little worried about the reception I would get. Thankfully, I was very well received and had a most pleasant week. The staff here is fun and really makes you feel welcome. I love that.

Again, not much going on in the Midwest in the winter, so I just concentrated on my taxes (Don't you just love tax time?) and my very built up fan mail. I know I am very backed up on this, but again I have to remind you all that a self-addressed, stamped return envelope is a mighty helpful thing.

Speaking of fans, Pete drove one-and-a-half hours to see me, so I had to put him in *SCORE*. The Flint customers are diehards who will come out in a snowstorm to see some big titties. A pretty low-key bunch though. Unless it involves a new beer or the bathroom, they don't move at all or make much noise. I kind of felt like I was doing a dinner theater show, but that's not so bad because they all watched and gave

AMBER LEE

AGE: 33 **BIRTHDAY:** February 9, 1967
HEIGHT: 5'5" **WEIGHT:** 128 lbs.
BRA SIZE: 36E **MEASUREMENTS:** 42-27-34
LIVES: Modesto, California
OCCUPATION: Student/Housedancer
AMBITION: "I don't really have an interest to feature dance. I just want to dance my way through college so I don't have a ton of student loan bills when I finish."

Whoever said strip clubs exploit women, is really speaking out of his or her ass. Take Amber Lee, for example. She started college 14 years ago, but had to drop out because she didn't have the money. Amber worked odd jobs, ranging from sales to restaurants. Then, she discovered exotic dancing five years ago, and within months of first dancing, Amber moved out of her studio into a bigger apartment, bought a new car and, just last August, re-enrolled at college. She's still dancing at different clubs in Northern California to finance her education, and, when she graduates, you won't find Amber defaulting on her student loans. Why not? Because she won't have any. That's the power of positive dancing.

me great compliments afterwards.

After so many years of features at the three clubs that have been bringing us in, the guys in Flint have seen just about everything. They're hard to impress, but big boobs and a bigger smile seem to go far here. I hope to do it again sometime.

On with my Midwest driving tour to Columbus, Ohio next month and lots more good stuff. I'm definitely looking forward to the better weather to come, as well as getting back to flying again. I can only handle so much driving!

And, I have some news for everybody. I've just signed a contract to be the lead in a video and comic book named *Goddess*–nice title, don't you think? My name will be "Melissa" and/or "Wynd." Don't ask me why it's not Alyssa, it's part of the storyline. But, you'll have to support me, as you always do, to help turn this into a series, which would be really cool. Pretty please! I'm so excited. I'll tell you more next month. Bye...Alyssa.

Anybody who drives one-and-a-half hours through frozen, icy hell like Pete did just to see me in person, I gotta get their picture in *SCORE*. See ya'll next month with more goodies.

SWEET DREAMS

Continued from page 38

moans barely broke the stillness of our quiet bedroom. Occasionally, Janice's body would twitch, but she slept on. Yet despite her repose, the soft satin between her legs clung damply to her lips. I wondered just how far I dared push her–and I wondered what a sleep-orgasm would be like.

I had to find out. Grimly ignoring my painfully erect cock, I continued my caresses, gently lifting the hem of Janice's top. When I finally got the courage to actually touch her big, hard nipples, Janice gasped very softly but did not wake up. I gained more courage. Maybe I could pull this off after all! Maybe...

Barely touching her, I circled her nipple. So big and dark were Janice's nipples, I could make it out, though just barely, through her top. It helped that the satin was stretched tight against her breasts. As I circled it, her nipple tightened, then slowly crinkled as her nipple grew harder. In her sleep, Janice sighed softly, and with each breath, her ample breasts stretched her top even more. If she were awake, I'd squeeze her breast hard, to hear her moan. But I didn't dare, now.

Reluctantly, my fingers left her nipple and went back down to her thighs. Unlike her nipple-sensitive breasts, here, there was a good-sized gap to explore. Ever so gently, I reached inside her tap pants. The trapped, damp warmth inside made her arousal obvious. I could even smell her essence–a scent of pure lust that awakened the carnal animal inside me.

How would she react, if she were to wake right now to find my hand between her legs and the predatory look on my face? Certainly, I'd startle the hell out of her. But I couldn't help but think she'd find it incredibly sexy. No matter, I couldn't stop now. With one outstretched fingertip, I stroked her lips.

My God, she was wet! She was so slick I could barely feel her at all–just a mass of silky wetness. Encouraged, I stroked her lips again. While I wished for a moment that I could finger her more deeply, I decided that this was much better. My finger glided along her pussy lips like...well, like a dream.

Gently, I stroked her labia, again and again. By now, Janice was almost panting in her sleep. Was she making soft, tender love in her sleep, or was she yowling like a cat in heat while having furious back-alley sex, winos cheering her on?

Whatever she was dreaming about, an almost imperceptible shudder passed through her body, her lips quivering under my touch while her rear tightened and little spasms swept across her body.

Orgasm.

Wow! I'd never really watched that happen before. I mean, I've seen Janice climax before, but never quite like this. I was spellbound. Every soft sigh was a breathless confession to my wide eyes. Even the almost imperceptible jiggling of her breasts didn't go unnoticed by my hungry gaze.

That was when I nearly blew it.

SWEET DREAMS

Continued from page 73

Janice moaned, then stirred. Convulsively, she turned onto her belly. I had been so enraptured that I almost missed the warning. Quickly, I yanked my hand away just in time, my heart racing. Was she about to awaken?

No, thank God. I held my breath as I waited for her to settle again, remembering a book Janice had once picked up–a trashy, little paperback that had her breathlessly turning pages for days, unable to put it down. *The Incubus*, it was called. An evil, wild, horny sex demon who visited women in their sleep and ravished them. Really ravished them, as the monster had three gigantic phalluses, two in its lewd, demonic crotch and one that could extend from its mouth! The very idea had Janice in a dither for days, pressing the open book to her ample bosom as she fantasized about a creature who could fuck her in all three of her love holes at once. Perhaps that demon was what she dreamed of now. I was sure she hadn't forgotten about it.

I had to smother a laugh–but it was an envious one. That impossibility sounded like a lot of fun. I wondered if there was a way...and maybe there was.

Shaking my head with disbelief at my daring, I reached out to brush my fingertip against her upper lip. With a soft, erotic moan, Janice's lips parted, as if to accept an imagined prick. I silently exulted, though I also had to fight back an almost overpowering urge to whip out my cock and give it to her to suckle.

Janice had wanted an Incubus. Now, she had one. Maybe I only had one cock for her to love (just as well, if I had three, I'd go mad, as aroused as I was at that moment), but I could still enter her dreams. I thoroughly ravished this busty angel in her sleep. Even now, her lips twitched again, the tip of her tongue darting wetly. Too bad Janice had her thighs together now. I would have liked to stroke her to

Memories...of the way we were. Show-tunes anybody? *SCORE*-men were singing gleefully back in Dec. '96. Any of you veterans remember that magazine? Newbies to *SCORE* don't because the back issues sold out within months. The reason? Casey James was in that issue. As was Hunter Love and another newcomer named Leah. But, everybody in the issue got overshadowed because of the covergirl–another fresh face. Some naturally-stacked 18-year-old from England in a painted-on tuxedo. Her name? Linsey Dawn McKenzie.

CHECK LIST

HUNTER LOVE

AGE: 23 **BIRTHDAY:** January 28, 1977
HEIGHT: 5'4" **WEIGHT:** 102 lbs.
BRA SIZE: 34DD **MEASUREMENTS:** 38-35-34
BORN AND RAISED: Detroit, Michigan
PREVIOUS *SCORE* APPEARANCE: Dec. '96

Hunter's Dec. '96 debut was what many people consider a turning point in the annals of big-tit-dom. Super-enhanced siliconeitis was at its pinnacle. However, with Chloe Vevrier already a superstar, Linsey's debut marked the dawn of an all-natural renaissance. Since her debut, it seems the super-sized babes have grown fewer and the number of naturally stacked models has increased dramatically. Where did 19-year-old Hunter Love fit in? Unfortunately, she didn't. Hunter was a tweener–not super-sized, and not super-natural. Fans, agents, clubs and even magazines didn't quite know where she fit in and her career never took off like she had hoped. Now, there's no telling where Hunter is or what she's doing. Her telephone has been disconnected with no forwarding number. Still, we hope that wherever Hunter is today, she's as happy as she was when she posed for these pictures, and not pondering what could have been.

another sleep-orgasm, and another, and another.

Or, maybe it wasn't so bad, after all. As her lips suckled the stuff of dreams, her thighs clenched tightly for an instant. There, she did it again. Her body quivered momentarily beneath her satin lingerie, then softened. Each clench of her thighs pressed her soft lips together as satin clung damply to them, and I realized that in her dream, the cock that probed there had never left. Quite the opposite, my wife was getting it spoon-style.

Janice had once told me that she used to masturbate that way as a teenager, and sometimes she still did. In her sleep, she was a girl once again, despite the full, womanly breasts that rose and fell with her excited breath.

She was also very beautiful, this wife of mine, and I stood for a moment amazed that she was mine.

My heart went out to her.

Gradually, Janice's dreamy masturbation woke her. I stepped back, holding my breath, but her eyes didn't open. Instead, she reached out blindly, grabbing that big teddy bear that sat wide-awake next to her. I'd given it to her years ago, and she used it for company whenever I wasn't there. A warm, fuzzy friend to hold onto when the kids were asleep and she was alone, like tonight. She snuggled up close to it, still for a moment.

But Janice's arousal was too strong for her to ignore. She was looking for sexual relief, not friendly companionship. Still very drowsy, she moaned and clenched her thighs very tightly, grinding her hips against teddy. Janice's half-asleep dreams had become a half-awake fantasy, so gradually she hadn't even noticed the difference. As she slowly woke, her need grew more urgent. It was no longer dreamtime for her–Janice badly needed an orgasm that was more than a dream. She clutched at her teddy again, moving against it. The

JULIA'S ONLY VIDEO!

SCORE-men are already calling May 2000 covergirl Julia Miles the "greatest discovery" of not only the year, but the millennium–Chelsea Charms notwithstanding. Now, here cums another bonerfide collector's item...Julia Miles' first and only video!

Julia's debut video starts with her waking up–the dawn of a nude age. Then, this 18-year-old, German goddess takes you through her morning routine, where you see every inch of her incredibly curvaceous body. Next, it's dildo time. This video is 100% Julia Miles, and though very few video debuts are mandatory viewing for tit-men, Julia Miles' video debut is definitely one of them!

Continued from page 84

scent of her arousal drew me, but I held still, hardly daring to breathe, as she drowsily pleasured herself. Her smooth, round, beautiful ass clenched tightly, again and again, as she humped that lucky bear.

Totally amazed, but thoroughly delighted, I watched her rub herself against the teddy bear's soft fur. Then, with a groan that startled the hell out of me, she threw her leg across it. Her body shuddered as she rode that stuffed bear, and she brought her hand to her big breast to squeeze it desperately. A low moan filled the room as she squeezed herself, her hips grinding in urgent circles. For over a minute, she rubbed herself desperately against teddy, as she squeezed herself. She moaned passionately as her hips moved and her fingers dug into the soft flesh of her breast.

I must have made a noise just then, or perhaps Janice had finally wakened enough to realize that she wasn't alone. Suddenly, she froze.

Slowly, Janice turned her head and saw me standing there, her eyes widening. I was caught, red-handed. *Busted!*

Janice flushed, from anger or embarrassment, I'm not sure. I blushed, too. How was I going to explain this? I hadn't really meant to spy on her, but I did miss her terribly. What a horrible time to have that fight that I had been dreading!

Her smoking gaze never left my eyes, but she didn't snap at me either. For a while, she looked at my red face and my apologetic eyes. After a long moment, the fire in her blue eyes finally cooled. Her lips twitched as amusement slowly banished her anger, and finally she gave in and smiled at me. It was a sultry smile. A seductive smile.

"Well, are you going to help me out, or am I going to have to fuck this stupid teddy bear all night long?" she asked.

I smiled back, and the bear with the big, black eyes was dumped unceremoniously to the floor.

We let him watch, though.

Windy Leigh
LOOKING FOR A SUPERSTAR WITHOUT ANY ATTITUDE? YOU'VE FOUND HER!

Right off the snap, we gotta say...If there's a busty babe who just keeps getting sexier and prettier every time we see her, it's gotta be Windy Leigh. She's been in *SCORE* three times before–twice solo (July '98, June '99) and once "Caught in the Act" (Oct. '98), and, each time we see Windy, we keep thinking..."Man, we need to publish more pictures of this girl." Well, we're on top of that. Windy has been invited to go Boob Cruising, which is sailing right when this July 2000 issue of *SCORE* goes on sale. So, as you're reading this copy and looking at these pictures, imagine Windy on a sugary beach, balmy breezes in her hair, tropical waters caressing her feet, while *SCORE*-men from around the world ask her to give up the "money shot." We're thinking just that, and it's a beautiful thing!

CHECK LIST

WINDY LEIGH

AGE: 27 BIRTHDAY: May 13, 1973 HEIGHT: 5'8"
WEIGHT: 125 lbs. BRA SIZE: 34E MEASUREMENTS: 40-25-36
BORN, RAISED AND LIVES: Pittsburgh, Pennsylvania
PREVIOUS *SCORE* APPEARANCES: July '98 (debut pictorial), Oct. '98 ("Caught in the Act"), June '99
FAN CLUB ADDRESS: Windy Leigh, P.O. Box 41057, Pittsburgh, Pennsylvania 15202; windyleigh@aol.com

When we first discovered Windy at the Nudes-A-Poppin' in 1998 and she made her *SCORE* debut in July '98, we figured she'd become a big-time star. It hasn't quite happened. Oh, she's really popular, but Windy hasn't exacty become Chloe. Ironically, it's her own fault. "I don't do porn or girl-girl, and I'm not gung-ho about being the #1 dancer in the world," says this down-to-earth, Pittsburgh native. "I just want to have fun, make a living and go on the Boob Cruise and not embarrass myself. Hey, I've been working out since Christmas, just to look good. No cottage-cheese ass for me!" No star-attitude, either, and, to tell you the truth, we wouldn't have Windy any other way!

Busty Auditions
Adina & Ariana

Two Newcomers! One Hot Video!

Adina's pictorial starts on page 42, Ariana's is on page 21...together, these busty babes are electric! The video is kind of funky, too...very eclectic, with candid and intimate video interviews for both girls, solo posing, some bellydancing by Ariana, a dildo-filled girl-girl and Adina's first XXX, hardcore, cock-worshiping scene!
